October 21, 2010

Dear Andy,

I am writing to thank you for the Alabama Wireless Association's recent award of \$15,000 to The Bell Center for Early Intervention Programs in support of our programs. Our programs will continue to serve children with special needs by providing critical early interventional therapies because of the generosity of your organization.

More than 100 children from throughout central Alabama will receive therapeutic services from The Bell Center this year. Additionally, we will provide support and encouragement to the families of these children as they begin their journey. The children of The Bell Center do amazing things daily to overcome obstacles. Their determination and perseverance are inspiring.

We are most grateful for the support that your organization continues to show to The Bell Center. On behalf of our children, their families, our staff and volunteers, I thank you for all you have done to make our program successful!

Sincerely,

Maureen Farr  
Fund Development Coordinator

*Dedicated to maximizing the potential of children from birth to three years of age who are at risk for developmental delay*
